MCC Preschool

MARCH 2024

(continued)

Space

This month preschool is blasting off into outer space for our "Space Unit", focusing primarily on the celestial bodies like the sun, moon, stars and planets. Playful activities, visual aids, and stories will spark curiosity and wonder about the universe beyond Earth.

Transportation

The children will also learn all about transportation: trucks, trains, buses, planes, and rockets.

Spring

As spring is approaching, the children will learn about spring rain and rainbows, and they will be creating rainbows inside using different art media.
