Preschool is the heart of MCC

Thank you for your continued support!

In January, classes were focused on learning about snow and ice, arctic animals and animals that hibernate.

In February the children will be learning about dental health and nutrition. During Valentines week the focus will be hearts and feeling, along with making cards.

We have immediate openings for the Preschool. If interested, please call the MCC office for details and an application. 208-264-5481
