### Securing the Future of Hope Memorial Community Center

We are excited to share some wonderful news with you — the **Hope Memorial Community Center Endowment** has officially launched!

The idea first took root at our July Wine Tasting event, and we proudly announced it's official debut at our August fundraiser. This endowment marks an important step toward ensuring the long-term sustainability of the center and its programs.

### A Matching Gift Opportunity

Thanks to the generosity of an anonymous donor, every donation made in August (including a few weeks grace period) will be matched dollar for dollar. That means your contribution made today goes twice as far in supporting the future of the center.

### Our Goal

We know our goal is ambitious—but with patience, persistence, and the incredible support of our community, we are confident that we will achieve it.

### Thank You

We are deeply grateful for each and every one of you who believes in the mission of the Hope Memorial Community Center. Together, we are building a strong foundation for generations to come.

For questions or details on how to donate, please contact  
Lori Finnerty 480-586-1700 or speak with any board member.  
Thank you in advance - your support is greatly appreciated.

### Hope Memorial Community Center Endowment

An endowment is a **collection of charitable donations** that grows over time. It is a long-term investment for our future.

1. An establishing gift is made and forms the principle.
2. The principle is protected, invested and grows.
3. A portion of the funds value is distributed annually.

Thank you  
FOR YOUR SUPPORT

It was a fun evening on August 20th with neighbors, friends, and visitors joining in the fun. Everyone enjoyed the illusions, magic, and mentalism presented by charming Cameron Brow.
