To all the wonderful Mothers whose love and caring, nurture, and guidance shaped our lives. Thank you for your endless hours of devotion, and dedication, and for being one's greatest fan.

Happy Mother's Day from the Memorial Community Center and Preschool in Hope!

A great way to donate in honor of that special someone is during Idaho Gives!

When you donate on Idaho Gives in honor of your mother or someone special to you, the Memorial Community Center will then publish their name and your special message in next months newsletter.

Idaho Nonprofit Center brings the state of Idaho together during IDAHO GIVES by raising money and awareness for Idaho's nonprofits.

MCC Preschool

MAY 2023

Monet's "The Water Lily Pond"

Preschool in April hosted Earth Day on the 22nd and was an excellent time to help the children learn ways to help take care of the planet. They learned ways to recycle, reduce and reuse through hands-on activities and also learned some fun songs. The children continued their work on the alphabet with "Alphabet buddies" (AaBbCc), learning numbers 1-10, shapes and colors, communication skills, and writing their names. They also learned about what lives and grows in ponds as well as the Life Cycles of Plants and Animals, such as lima beans, sprouts, worms, owls, and frogs.

"Puppet Show"

"Alphabet Buddies (AaBbCc)"

"Worms!"

You Can Make MCC Better. Volunteer with Us Today!

As mentioned in our March Newsletter, our new Volunteer Coordinator is Mary Donovan, a long time Hope resident. Mary brings a great amount of experience from past volunteer positions and is excited to introduce us to **Sign-up Genius**, an app to help keep us organized.

We have a list of volunteers and we are looking to build the list. We have made it easy for volunteers to sign up and select their volunteer specialties. Click the green Volunteer button online for easy sign-up.

Mary said, "I look forward to working with you, getting to know you and having some fun at our Summer events."

*"I'm your new volunteer coordinator for this summer. I'm a Hope native. I grew up in the yellow house above the Hope post office. It was built by my Grandfather. We sold that house a few years ago and bought a house with a dock on the Hope Peninsula. Like many from here, I started my working career at the Lighthouse, bussing tables, making salad dressing and waitressing. I went to college and after 35 years in Seattle and a global pandemic, here I am, living full time in what was to be a summer house!
Join me in volunteering for a fun summer of events." Mary Donovan*
