Delores Matthews Retires from the MCC Board

Board member Delores Matthews will retire on December 31 from the MCC Board after four years of dedication. Due to Delores's expertise in writing grants, and her commitment and persistence, the community center has received many different grants, including grants allowing us to install new floors in the main room and the upstairs preschool, install new lighting and funds to purchase a projector and big screen for use in the main room and buy two new printers for use in the office.

The grants specific to our preschool allowed us to offer scholarships to families. The art grants we received helped support our art program and classes offered to the community.

Delores' contributions have been many.

Thank you, Delores; you will be missed!

2023 year in review

Preschool

Thank you to the Idaho Community Foundation / Idaho Future Fund for the \$20,000 Grant that helps support our very successful preschool program. We currently have ten wonderful and energetic students and can take two more. The preschool is the joy and heart of the Memorial Community Center, and its value is immeasurable.

Events

What a great year we had. Lakeside Bingo, Wine Tasting, and several music events. The events offered good food, drinks, raffles, music, and fellowship. Every event and raffle supports the Memorial Community Center and we thank you. We look forward to seeing you at our 2024 events!
